CHANGE MADE IN BETHEL POLICE

At a special meeting Tuesday evening, the Bethel board of selectmen accepted the resignation of Patrick Grenier, local police officer since April 1965. Earl Barker of Bryant Pond has been named to the post.

Manager of a used-car lot in Bryant Pond, Mr. Barker has been a special deputy of the Oxford County sheriff's department for several months, as has Mr. Grenier.

COMMENTS FROM THE TOWN MANAGER'S OFFICE

The schedule for selectmen's meetings appears very full the next few meetings. There are several projects underway and a lot of time will be required to complete them. Anyone planning to attend a selectmen's meeting in the next couple of months should call the town office to find out the best hours to attend. The regular meetings are scheduled for the first and third Mondays of the month.

Someone called the office for some information about the surplus account but I was not in. Perhaps this would be a good time for a short explanation of the account. The account is a continuing one and the balance is increased in several ways. Any unexpended balance in an operating account is lapsed into the surplus account at the close of the fiscal year on Dec. 31. Revenues from the sale of tax acquired properties or other properties are put in the account. The largest transfer to the account is the excise tax receipts. Of course, all of these sources are variable but the account is usually increased by about $35,000 a year.

The surplus account is reduced in only two ways. Overdrafts in operating accounts are balanced by the surplus account. The other way is at town meeting. Each year certain amounts of money are used at town meeting for certain accounts. In effect it is using the money from the surplus account to reduce the tax rate. The balance in the surplus account, after town meeting, is an amount that could be used in an emergency.

I talked with Mr. Hunter of the Jordan Company about our sewer study. The Jordan Co. can not start the study until our Federal interest-free grant is approved. He said that approval time has been about eight months for recent grants. He will try to hurry things along so he can do the field work for the study before the ground freezes.

Michael Houlihan

Charles F. Knight, formerly of Bethel, now making his home with his son Charles, underwent surgery at the Maine Medical Center in Portland last Tuesday. He is in satisfactory condition.

CMS and Mrs. James Monahan of Westover Air Force Base, Mass., and Mr. and Mrs. Kenneth Newcomb of Washington, D. C., who have been visiting the past week at the home of Mrs. Virgie McMillin, have returned home. Mr. and Mrs. Newcomb are on their way to California where Mr. Newcomb will enter college.

BETHEL GIRLS VISIT U. S. AMBASSADOR IN NORWAY

The Misses Ruth Tebbets and Vicky Brown of Bethel, who are touring Europe on bicycles this summer, recently visited Ambassador Margaret Joy Tibbetts in Oslo, Norway. They were fascinated by the framed map of Bethel, as it was in 1878, which has a place of honor on the library wall in the Ambassador's residence.

The Ambassador is a native of Bethel, the daughter of Mrs. Pearl Tibbetts and the late Dr. R. R. Tibbetts.

HISTORICAL EXHIBIT BEING ASSEMBLED

The early life of Bethel is coming back for Mollyockett Day only in the stable of Judge Herrick on Broad Street. Residents having family possessions that date back to the early days are urged to loan them. They may be delivered at any time this week before Saturday at 11 a. m. To be sure a member of the Society is available to accept them, call 4-2612. (The house is now occupied by the Heywood family.)

A group of fairly young Bethel citizens helping at the exhibit were at a loss to explain a willow woven carpet beater loaned for exhibit. When it was explained that in 1910 one took the rugs out in the yard, hung them over a clothes line and beat the dust out of them instead of daintily guiding a vacuum cleaner around the house, not a sigh was heard for the good old times.

A chair which has the back and arms carved from the horns of a moose shot by Metallak is one of the exceptional items on exhibit.

BETHEL TEEN TOWN ACTIVE ON MOLLYOCKETT DAY

The Bethel teens governed by a teen council, will be very active in this year's Mollyockett Day. The council divided up into chairmen of all necessary committees. With construction underway all ready, the teenagers will produce a float under the title of "Unity in Space." Space being the theme for the day. This committee is headed by Vivian Brown and Laurel Brown.

During the day, all teens not wearing something western will be picked up and jailed in the Teen Town Jail Booth, and fined 25c. Italian sandwiches will also be on sale. Kathy Buck and Vivian Brown head this committee.

The big event will take place at 9:00 p. m., when the gala "Battle of the Bands Dance" begins. The Brewers (Rumford), Music Inc. (Bethel) and The Unknowns (Bethel) will compete for three hours for a prize of $50. Judges will pick the best band while the people of Bethel swing to the music at the Gould Parking Lot. Tom Davis and Al Walker are in charge of this event.

Under the leadership of Vivian Brown, the Bethel Teen Town should help the Health Council toward success in its drive for charity.

John and Kevin Trinward are at the YMCA camp in Winthrop.

MOLLYOCKETT DAY TO BE HELD SATURDAY

Heading for what appears to be a great Mollyockett Day celebration, the Bethel area should take note of the schedule of activities and some last minute announcements, all pertaining to the Saturday, July 30, celebration.

The booth set-up committee is running into some difficulty in locating the booth construction materials which were used for the Christmas pageant last winter. If anyone knows the whereabouts of this material they are asked to call Richard Blake, Jr., or Rev. Donald Hess. The setup committee is also requesting that one representative for each booth be present by 6:30 p. m. Friday evening to help set up booths. It appears that many of the booths will have to be built from lumber and this will take some time.

The art show will be held in the Legion Hall at 2:30 p. m. Artists are asked to bring their paintings to the hall between 3 and 4 p. m. Friday or between 7:30 and 9 a. m. Saturday morning.

Signs will be set up around the Common indicating places and times of events. Booths should be well marked with a sign indicating the kind of booth and sponsor.

Organizational chairmen are asked to see the General Chairman Rev. Donald Hess, during the day for a form which must be completed and turned in to him after all receipts and expenditures have been completed. This will greatly help next year's organization.

Change, for booths needing it, is available at the Bethel Savings Bank and should be obtained before closing time Friday. Money received can be turned in to the Bethel Savings Bank or to the general chairman if more convenient.

The parade will begin to form at 10 a. m. Saturday. Children in the parade will meet at High Street, the color guard will meet at the High Street and Main Street intersection. The horses will be next in line on Main Street by the Vernon Street intersection. Miss Mollyockett will be next, followed by parade carts. Next for the line-up will be the band, by the Railroad Street intersection, then motorbikes on the opposite side of the railroad tracks. All floats will line up on Frost Street. The detailed instructions for float and other parade entries is available from Eldon Greenleaf or John Greenleaf.

The schedule of events follows:

9 a. m. Field Events
10 a. m. All booths open. Bethel Historical Society Exhibit begins.

DISTRICT DIRECTORS NAME PRINCIPAL OF NEW HIGH SCHOOL

At a special meeting of the Directors of S.A.D. 44, Thursday, July 21, at the Crescent Park School, Bethel, C. Richard Vaughan, a native of Burlington, Vt., was elected principal of the new district high school.

C. Richard Vaughan

Mr. Vaughan attended Burlington (Vt.) high school two years; graduated from Kimball Union Academy, Meriden, N. H., in 1946; attended the University of Vermont for three years; he received his Bachelor of Science degree in 1951 from Northeast Missouri State College, Kirksville, Mo. He attended Kirksville College of Osteopathy and Surgery for three years. Mr. Vaughan attended summer sessions of University of Maine, 1957-61, earning his Master of Science in Education Administration and Science Education. He attended the Indiana University summer session in 1962.

Mr. Vaughan started his teaching career at Kingfield (Maine) high school in 1954-55. In 1957-59 he was assistant headmaster at Peacham Academy, Peacham, Vt. Starting in 1959 he was assistant principal, with science department duties at Littleton (Mass.) high school. He was principal of grades 7-12 at Goffstown (N. H.) high school. Starting in 1963 he served as vice principal at Plymouth (Carver Regional High School, Plymouth, Mass. In 1965-66 he was principal of the American International High School of The Hague, Netherlands.

Mr. Vaughan is married to the former Margaret Rowe of Gorham, Maine. They have three children: Susan, 6; Ellen, 5; David, 12. At the present time the Vaughans are residing in Raymond, but plan to move to Bethel in August. Mr. Vaughan will assume his new duties in September.

Mrs. Gertrude Hayden is spending the month of August in town.

VANDALS BREAK WINDOWS IN THREE BUSINESSES MONDAY

Sheriff Lester Horton has reported that damages in excess of $1,000.00 had been done to windows of three business establishments in Bethel, by rock-throwing vandals.

According to authorities three panes of glass were broken at the Campus Restaurant; the Bethel Spa had a large plate glass window smashed, and two large windows were broken at Bryant's I. G. A. Food Store. All of the windows were broken by rocks about half the size of baseballs. There is reason to believe that the vandalism was perpetrated sometime between 3:00-5:30 a. m. Monday morning. Sheriff Horton said his department has "some good suspects." Bethel authorities are assisting with the investigation.

Sheriff Horton also reported that the flag pole in front of the post office in Oxford was broken sometime during Sunday night. This pole was 40 feet in length, two inches in diameter, made of aluminum. There were indications that some one had attempted to shin up the pole, and that the pole broke under their weight.

COUNTY DEMOCRATS SELECT SOUTH PARIS WOMAN AS REG. OF DEEDS NOMINEE

Mrs. Olive Moore of South Paris was picked by Oxford County Democrats as their candidate for the post of county register of deeds, eastern district, at a meeting in Bryant Pond Wednesday evening.

Mrs. Moore's selection came after incumbent Register of Deeds Juanita Allen of Bryant Pond announced her decision to withdraw her candidacy for reasons of health. Mrs. Allen had been unopposed for nomination in the June primaries.

Mrs. Moore, longtime secretary of the county committee, was defeated by Mrs. Allen in the 1962 primaries for the same office.

Chairman of the South Paris Town Democratic Committee, Mrs. Moore had previously served eight years as secretary.

A resident of Oxford County for 32 years, she is a native of Jefferson and attended school at Bakersfield, Calif.

She is married to Lawrence Moore and they are parents of three children. Employed in clerical work for several years, she also managed a truck rental office in Norway for six years.

Sunday evening as Mr. and Mrs. Donald M. Fraser of Bethel were returning from Gilead, they had the pleasant experience of seeing a large cow moose cross the highway in front of them a short way west of Harry Taylor's residence.

START SERIES OF 2-WHEEL MOTOR VEHICLE TESTS

The Secretary of State's office has announced the first in a series of two-wheel motor vehicle tests designed to help set new standards for qualification for a two-wheel motor vehicle license.

According to Secretary of State Kenneth M. Curtis, Chief License Examiner Charles Wyman of the Motor Vehicle Department set up the test course at Brewer recently. A control group of motorcycle enthusiasts assisted Wyman and his examiners in testing the validity of the course. Curtis said, "Mr Wyman has just returned from a most important conference in Delaware where these standards were discussed by the Motor Vehicle Administrators from the entire Atlantic seaboard." "This just didn't come about recently," Curtis said "We've been working on this problem for over a year and we are now in the testing stage." The Secretary said that the next stage would be to actually introduce legislation to upgrade the existing law, and to strengthen administration responsibilities in the actual testing of applicants for motorcycle licenses.

Curtis emphasized that the results of the testing in Brewer would be added to the results of similar tests to be conducted later, and would eventually be incorporated into the two-wheel motor-vehicle licensing procedures of his department.

Sorcery with Leftovers

Cream sauce, thinned celery or mushroom soup may be used with leftover vegetables for reheating them and letting them come to the table in a different form. Serve garnished with toast points.

What do you do with leftover roast? Buy a bottled barbecue sauce or use your own. Heat with sliced roast meat and serve on French bread buns or onion rolls.

Pound cake or angel food? Soften peppermint ice cream and use as a sauce. Custard sauce might also be used if you want to make your own or thinned pudding mix might be cooked.

Green beans leftover from dinner might join kidney beans in a salad with a hot bacon dressing — the kind usually used for potato salad.

Leftover broiled fish? Bone and chill well then serve with a cucumber sauce made by mixing chopped vegetable with mayonnaise and whipped cream and a dash of dill weed.

Orange or grapefruit sections? Let them sit with a bit of mint greens for salad.

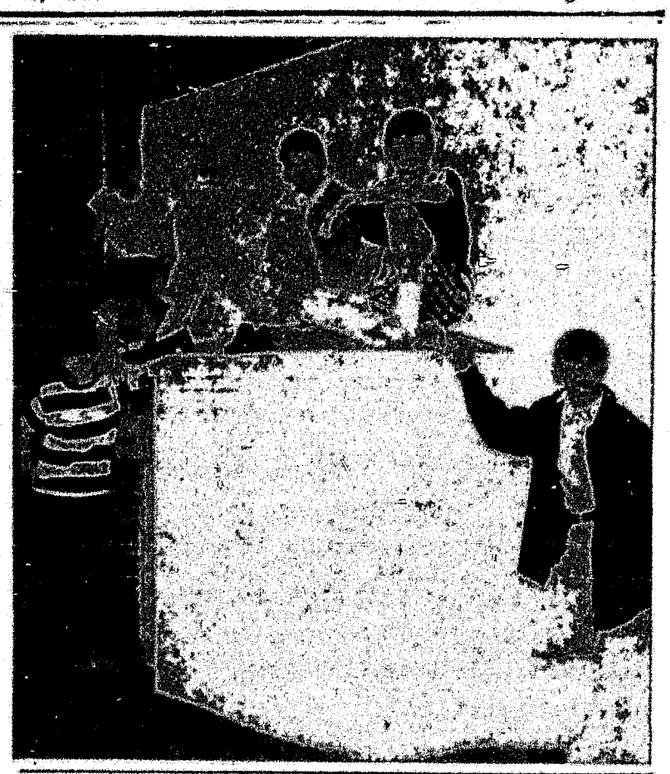
FARMERS SHOULD SAFETY-CHECK MACHINERY

According to Herbert N Aldrich of Caribou, a member of the Executive Board of the Maine Highway Safety Committee, Farm Safety Week, July 24 to 30, provides an opportunity for all farmers to take a four-part inventory of their farms Aldrich advises all farmers to check their vehicles, equipment buildings and homes He said special emphasis should be focused on the prevention of highway accidents involving slow-moving vehicles, and on the tractor which is involved in the majority of fatal machinery accidents on the farm He added that drowning, firearms and falls are the next leading causes of accidental deaths on farm lands and around farm buildings Many of the danger spots of farm living can be easily removed with some thought and planning said Aldrich He urged all farm families and rural leaders to join together in an effort to eliminate hazards that could cause death unnecessary suffering and loss of time and money



Shown here are two of the three groups which will participate in the "Battle of the Bands" at the street dance in the Gould parking lot Saturday evening as part of the Mollyockett Day activities. "The Unknowns" above left to right: Doug Farrar, Craig Walker and Andy Davis. "Music Inc" is pictured at the right, left to right: Tom Fadner, Randy Mills, Tom Davis, Don Dixon and Topper Fiske. MINE ACCIDENT TAKES LIFE OF NORWAY MINER

The body of Oliver Frechette of Crockett Ridge, Norway, a veteran miner, was recovered from under an eight-ton boulder at the Hercules Mine in Albany at 10:15 last Thursday night.

A spokesman for the Oxford County Sheriff's Office said dynamite was used to break the rocks into smaller pieces in order to remove the man's body.

Mr. Frechette was killed Thursday morning when a huge section of wall in the open-pit feldspar and mica mine broke off, burying him beneath an estimated 10,000 tons of rock at the mine.

About nine hours after the accident the sheriffs' office reported Mr. Frechette's body was spotted under an eight-ton boulder. Deputy Alton Howe of Bethel was able to get close enough to determine that Mr. Frechette was dead.

It was first thought John Hatstat of Albany was with Mr. Frechette at the time of the accident. Mr. Hatstat was late for work however, arriving after the mishap had occurred.

It was reported that an unidentified miner was with Mr. Frechette in the mine shortly before the cave-in but had left the pit.

Mine Foreman Lester E. Wiley said he was at a shack some 200 yards from the spot when the wall let go at about 10 a. m. No one else was at the mine, owned by the General Mineral Co. of Greensboro, N. C.

According to the mine foreman the victim had gone down into the pit to start a water pump and was just starting to unwind when the 10,000 tons of granite and rock cascaded into the pit.

The mine is located about 20 miles from Norway and 10 miles from Bethel near North Waterford on Route 5 at the base of Long Mountain.

Long idle, the mine was reopened about 10 months ago with two men working days and one drilling and blasting at night.

Mr. Wiley said the mine employs from two to 20 men at times but at the time of the accident only two men were working in it.

Employed as a miner for the past 10 years Mr. Frechette was the father of five children.

THREE-QUARTER CENTURY CLUB TO MEET AUGUST 18 AT AUGUSTA ARMORY

Dr. Leon O. Jefferson of Camden, chairman of the Maine Committee on Aging announces that the ninth annual day of the year for a party of the Three-Quarter Century Club of Maine will be held this year on Thursday, August 18 at the Augusta State Armory.

The centennial club, the only one of its kind in the country, was organized in the latter part of July 1957 by the Maine Public Health Association (now the Maine Tuberculosis and Health Association) and was enthusiastically endorsed by the late Governor Clinton Clauson at the first meeting. The response to the first meeting was limited to a few persons, but the membership has grown each year. The membership has been open to persons who have reached the age of 75 years or more and who have been residents of Maine for 25 years or more. Membership is open to persons who have made significant contributions to the welfare of Maine and have the desire to do so.

Any person 75 years of age or older is eligible to attend and become a member of the club. Applications for membership may be obtained from the Maine Public Health Association, 142 State Street, Augusta, Maine.

BILLINGS TO ENTER BATES

Larry A. Billings, son of Mr. and Mrs. Robert Billings, Railroad Street, Bethel, will enter Bates College, Lewiston, as a member of the freshman class in September.

A June graduate of Gould Academy, he was on the staffs of the yearbook and newspaper and a member of the Latin and Biology Clubs.

PEDIATRICIAN JOINS MEDICAL STAFF AT RUMFORD HOSPITAL

E. F. Lesher, administrator at the Rumford Community Hospital, is proud to announce the appointment of Dr. Vassilios Handanos, a Board Certified Pediatrician to the hospital's medical staff. Dr. Handanos comes to Rumford highly qualified. He will bring to the community an important specialty to serve the needs of the area. This specialty deals in the medical treatment of children.

Dr. Handanos will be housed in a suite of modern offices being prepared for him on the first floor of the Nurses Residence. This will include three examining rooms, an office and waiting room. He will have the convenient access to all diagnostic facilities in the hospital as well as in-patient treatment. He plans to open his office for patients on August 25.

Dr. Handanos is a native of Iraklion Crete, Greece, and a 1955 graduate of Athens University Medical School in Greece. He interned at the Sotiria Sanatorium Hospital, Athens, Greece, from 1955 to 1956. The following two years, he was a general practitioner in the public health department in Kozani, Greece.

In 1958 Dr. Handanos came to the United States and served a year's rotating internship at St. Peter's General Hospital, New Brunswick, New Jersey. He held a residency in pathology at Baylor University Medical Center, Dallas, Texas, from 1959 to 1960. He held an assistant residency in pediatrics at the Children's Hospital, Winnipeg, Manitoba, Canada, from 1960 to 1961. The next year he was chief resident in pediatrics at the Royal Alexandra Hospital, Edmonton, Alberta, Canada. In 1962 he served as chief resident in pediatrics at the Ottawa Civic Hospital, Ottawa, Ontario, Canada, for one year. In July, 1963 he became staff physician in pediatrics at the Pineland Hospital and Training Center, Pownal, Maine. He has held this position until his present appointment to the Rumford Community medical staff.

Dr. Handanos had a postgraduate course in pediatrics at the Harvard Medical School, Boston, Mass., in May, 1965. He is a member of the American Medical Association, the Maine Medical Association, and the Cumberland County Medical Society.

In February of this year, Dr. Handanos was notified by the American Board of Pediatrics that he had successfully passed examinations certifying him as a pediatrician by the American College of Pediatrics.

Dr. and Mrs. Handanos and their two children will be residing at 20 Erebles Street, Rumford.

V. A. NEWS LETTER

Veterans hospitals throughout the nation have been directed to admit any recently-discharged veteran without waiting for an eligibility determination if the man thinks he may be suffering from malaria.

The VA advises such veterans who have been home for 100 days or less to be on the alert for any symptoms of this disease. The Medical Departments of the Armed Forces have found an increase of malaria in personnel returning to the U. S. from duty in Southeast Asia.

A large number of these cases are a type of malaria known as falciparum. This particular form of malaria does not present the usual symptoms of chills and fever. The symptoms may be so mild that they may readily be missed.

Use of a new antimalaria drug may cut in half the number of men stricken by the disease, the Army Surgeon General's Office has announced. The drug is DDA diaminodiphenylsulfone).

The drug also cuts length of illness and helps to prevent relapse.

Prior to return to this country, personnel are given medication to help prevent the disease. They are instructed to report to a doctor if they become ill and to let him know that malaria should be considered.

Corperation of the Armed Forces, the Public Health Service Communicable Disease Center, Parasitic Disease Unit of Atlanta, Ga., and the VA has been worked out. The Health Service has agreed to act as consultant, free of charge, if blood smears show the presence of any malarial parasites.

If malaria is diagnosed, treatment will begin immediately at the nearest VA or military hospital.

It has been found that falciparum malaria is often resistant to the usual quinine treatment, and other methods of treatment must be used. Research on the treatment of this strain of malaria with various drugs are underway.

At present, there are more than 150 patients in military hospitals in the U. S. with falciparum malaria.

20 SECONDS WITH THE NAZARENE

"See daddy!" said a boy who was walking with his father. "They are knocking out the props from under that bridge. What are they doing that for? Won't the bridge fall?"

"They are knocking them out," said the father, "that the bridge may rest more firmly upon the stone piers which are now finished."

God takes away our earthly props that we may rest more firmly upon Him.

Christian Science

"Love" is the subject of the Lesson-Sermon to be read in all Christian Science churches this Sunday. The Golden Text is from the first Epistle of John: "God is love; and he that dwelleth in love dwelleth in God, and God in him."

Related passages to be read from the denominational textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy, include the following lines:

"Whatever holds human thought in line with unselfed love, receives directly the divine power . . . . Hold perpetually this thought,—that it is the spiritual idea, the Holy Ghost and Christ, which enables you to demonstrate, with scientific certainty, the rule of healing, based upon its divine Principle, Love, underlying, overlying, and encompassing all true being."

The Week in Oxford County

Lee E. Murch, son of Mr. and Mrs. Percy E. Murch, Russell St., South Paris, has been assigned to Commercial Resins Research as a chemist at Washington Works, Parkersburg, W. Va. He is a graduate of Paris High School in 1962. Mr. and Mrs. Murch and daughter, Patricia, reside in Washington, W. Va.

Marine Sgt. Albert M. Turcotte of South Paris was awarded the Purple Heart medal for wounds received in action in Viet Nam April 19, 1966, while serving with the 3rd Battalion, Fourth Marines. The presentation was made by Lt. Col. Donald M. Russ, executive officer of the Boston Naval Shipyard Marine Barracks at the Chelsea Naval Hospital.

Timothy R. Morrill, 18, RFD, Bethel, reportedly suffered a facial cut when the 1966 car he was driving struck another auto and left the road. Robert A. Everett, 18, RFD, Bethel was the driver of the other car. No other injuries were reported. Passengers in the Morrill car were Michael Wheeler, 20, Rhonda Parker, 13, Howard Chapman, 17, Roger Wheeler, 16, Andy Stowell, 17, all of Bethel. Warren Tibbetts, 19, was a passenger in the Everett car. The accident occured on Route 5 in Albany about 12:45 Sunday morning. The cars involved were damaged extensively. State Trooper Norman Auger, Hanover, investigated.

Mr. and Mrs. Norman Vashaw, Keith, Norman Jr., Allen, John, Elizabeth and Cheryl, accompanied by her mother and stepfather, Mr. and Mrs. George Turcot, West Paris, returned recently from a month's tour with a campers through 24 states and two Canadian Provinces.

The annual Bean Hole Bean festival is scheduled to take place Saturday night, July 30, at South Paris.

Two cars met in head on collision about midnight Saturday on Route 2 in front of the Riverside Restaurant, Mexico. Thomas J. Gallant, 18 of Rumford driver of one car and 3 passengers Jean Martin, 18, Peru, and Sylvia Stahl, 22, of Stratford, Conn. were taken to the Rumford Community Hospital. Leonard G. Gallant, 18, of Mexico, driver of the second car and passengers, Gregory Provencher and Henry Cormier, both of Mexico, were taken to Rumford Community Hospital. It was reported that Gallant and Miss Martin were admitted to the CMG Hospital. Sunday morning Miss Stahl was discharged from the hospital Sunday afternoon.

SAFETY COMMITTEE CALLS ATTENTION TO FARM SAFETY WEEK

Chairman of the Maine Highway Safety Committee, Jack S. Atwood, has called attention to the fact that this week has been devoted to farm safety all over the United States.

In a letter to the members of his Committee Atwood said, "I urge all of you to remember that Maine is essentially a rural State, and that a great portion of our traffic accidents happen outside our city limits" Atwood noted that almost half of all accidents that occurred in Maine last year happened on rural roads

The most prevalent mishap happened in traffic, and happened between the hours of 2:00 and 5:00 in the afternoon The second greatest collision occurred with a fixed object, and the next leading involvement was the "ran off the road" type accident, Atwood said

Atwood urged all drivers to remember that 45 m p h on most Maine roads is a safe speed, especially in heavy traffic "Our part in Farm Safety Week" the safety chairman said, "is to urge both the rural resident and the city dweller to exercise year-long care while traveling in the country" Atwood noted that we often "let our guard down" when we leave the congestion of the city and are, therefore, not ready for emergencies

N. T. L. LADIES BUSY EACH DAY THIS WEEK

Something for everyday has been the schedule for the NTL ladies this week. Mrs. Dana Brooks, on behalf of the Greater Bethel Chamber of Commerce, greeted the women Sunday at Gehring Dorm, while the husbands were having their first session, and outlined the coming events for them.

Monday was the usual "settling" day with the ladies coming in to Gehring to get some problems solved, and become a bit more acquainted with each other. On Tuesday, Mrs. Leonard Pierce opened her home for the Third Session Welcoming Coffee, with about 35 local and visiting women attending.

On Wednesday, even though they left fairly early, about a dozen women found themselves arriving at Paris Hill in time to get a "lunch tickets, sold out," announcement along with hundreds of others who patronized this event to benefit the Stephens Hospital, although they did enjoy the tour. It must have meant a good lunch hour business for the eateries in the area.

Thursday, today, the ladies are off "mill end" shopping, and tomorrow (Friday) they enjoy the hospitality at Bryant Pond. They will visit the versatile Clifton Bickford, and time permitting, may get to visit other shops before taking their brown-bag lunches to Farrow's Manor. There Mrs. Joe Farrow and friends will have coffee, punch, and dessert ready for the ladies to enjoy before a tour of the Stowell Silk Spool Co. in the afternoon. Mrs. Dexter Stowell will be on hand to greet the women after the tour, and perk up parched throats before the start home.

On Saturday, they will be participating in the numerous events of Mollyockett Day along with everyone else.

RUMFORD COMMUNITY HOSPITAL CITED IN NATIONAL PUBLICATION

HOSPITALS, the official Journal of the American Hospital Association, cited the Rumford Community Hospital in a full-page article in its July issue. This issue was devoted to the nation-of shortage of nurses; and emphasis was placed on means of getting inactive nurses back in the field. The article stressed what the Rumford Community Hospital, as a small community hospital, was able to do with a refresher course for inactive nurses, in hopes that other hospitals throughout the country would be stimulated to follow this progressive thinking.

Rumford Community Hospital gave this seven-week refresher course, once a week during April and May, to eighteen inactive nurses. Some of them had been out of nursing school for up to 20 years. This course was offered without charge or obligation. Members of the hospital's medical and nursing staff served as instructors. Nurses who expressed a desire to return to nursing upon completion of the course were offered the opportunity for adequate hospital orientation on paid time. To date, at least half of these nurses have indicated a desire to return to nursing.

The following nurses participated in this course: Mrs. Sadie Brown, R. N., Mexico; Mrs. Geneva Goddard, G. N., Hanover; Mrs. Mary Fletcher, R. N., East Dixfield; Mrs. Venetia Frew, R. N., Dixfield; Mrs. Irene Dennett, R. N., Dixfield; Mrs. Ruth Vaughan, R. N., Dixfield; Mrs. Elsie Moore, R. N., Frye; Mrs. Anna Cray, P. N., Mexico; Mrs. Ruby Brogdon, G. N., Mexico; Mrs. Marion Covert, R. N., Bethel; Mrs. Gwendolyn Stecher, R. N., Bethel; Mrs. Doris Gaudin, R. N., Mexico; Mrs. Elsie Ripley, R. N., Rumford; Mrs. Ann C. Brown, R. N., Rumford; Mrs. Marietta Maxwell, R. N., Canton; Mrs. Shirley Rose, R. N., Canton; Mrs. Wilma Delano, R. N., Mexico, and Mrs. Esther Cooper, R. N., Rumford.

E. E. Loubier, hospital administrator, stated, "It is indeed an honor to have the Rumford Community Hospital used as an example in this prominent publication of the American Hospital Association."

SONGO POND

—Mrs. Ralph Kimball, Cor.—

Sympathy of this community is extended to the family of Mrs. Carrie Logan who was a resident of this neighborhood many years.

Mr. and Mrs. Carl Meaux and little son of Waterville spent the week end with the Earlon Kenniston's.

Mr. and Mrs. Fred Pinkham and family of Hudson, N. H. are visiting his mother this week and calling on friends and relatives.

William Martin of Mechanic Falls was a visitor Sunday evening at Ralph Kimball's.

Mrs. Robert Lincoln returned home Sunday night from Hingham, Mass., but was called to New Jersey Monday by the serious illness and hospitalization of her little granddaughter.

UPTON

— Mrs. C. A. Judkins, Cor. —

Andre Bernier and Nelson Douglass, two teen-agers from town, took a trip last Saturday and Sunday, which they will remember for some time. They went by boat up Dead Cambridge River intending to go to C Pond. They went through the sluice and swamp, pushing the boat part of the way for lack of enough water. Finally they had to give up entirely as there was no more than two inches of water. They returned to the Dam and camped overnight. While wading in the river they saw a bull moose crossing the river about 100 feet ahead of them. Not knowing what to say to him, they kept quiet until he went on his way. They also saw another moose the next day and two deer.

Mr. and Mrs. Harry Marsh and granddaughter, Linda Smith, of Natick, Mass., have been spending several days at their camp. Mrs. Marsh presented Elsie Douglass with a birthday cake last Saturday.

Mrs. Hubert Greaney and family of Amesbury, Mass., have arrived at their camp for remainder of the summer. Mr. Greaney will be here during some week ends.

NAZARENE EVANGELISTIC AMBASSADOR TO SPEAK AT BETHEL NAZARENE CHURCH

A mid-summer Youth Rally will be held this Friday, July 29, at 7:30 p. m. The guest speaker will be Fletcher Tink, Jr., of Skowhegan. Mr. Tink will show slides of his participation in the "Ambassadors" trip to Central America in 1964.

The Nazarene Evangelistic Ambassadors was a "youth to youth" project of the General Church to reach the young people of the mission fields by the youth from the "homeland."

A similar venture will take place this year. The public is invited to attend this service.

8th ANNUAL FORESTRY FIELD DAY AT HEBRON, AUG. 20

The 8th Annual Forestry Field Day is planned for August 20 at the former Hebron Sanatorium this year. The buildings and lands of the sanatorium have been turned over the Maine Forest Service for management as a State Forest. The morning program will feature the dedication of the woodland as the Ernest A. Rand Memorial Forest.

A chicken barbecue is planned for lunch. Anyone planning to attend the luncheon should make reservations with the Maine Forest Products Council Secretary, Box 331, Augusta, Maine.

The afternoon program will feature planned tours of the forest with speakers on forest management for game, and forest recreation. The general public is welcome to attend.
